Di Miceli Flays Recession Talk

Leonard Di Miceli, candidate for Congress in the 17th District, was honored at a dinner held at the Palos Verdes County Club last Thursday, sponsored by the Peninsula Republican Assembly, South Bay Club of Republican Women Federated, and South Bay Young Republicans.

In his speech, Di Miceli stressed the importance of party harmony as the best means of securing the maximum Republican vote. Di Miceli stated, "While I am campaigning hard in my own behalf, I am, at the same time, campaigning for all endorsed Republican candidates running for office."

Later in his talk, Di Miceli said that he had polled the six major San Pedro banking institutions, which service a population of approximately 65,000 persons, and found that there are 48,660 active savings accounts representing \$37 million in this particular area.

"This," continued Di Miceli, "would seem to belie the careless statements being made by our opponents and would not seem to warrant the present talk of recession."

Among the 100 guests attending the dinner were Robert H. Finch, chairman of the Los Angeles County Republican Central Committee, who served as toastmaster; Charles Franklin, Mr. and Mrs. Robert Muncaster, Mr. and Mrs. Jack Drown, Mr. and Mrs. Charles Soderstrom, Mrs. Karl Darby, Mrs. Edson Stratton, Mrs. Jean Haley, and Mrs. Marie Holden.
